

# Sumit Pandey

Consultant B2

## PROFILE SUMMARY

As a proactive Senior Software Engineer specializing in React Native, React JS, and possessing a B.Tech. degree, I excel in iOS and Android application development using Xcode, Android Studio, and React Native CLI. Proficient in React, TypeScript, HTML5, and SCSS, I effectively communicate with clients and team members. With a portfolio of 15+ projects, half of which are live on stores, I have contributed to the eCommerce, social media, tourism, delivery, and news industries. My expertise lies in delivering high-quality solutions, and I am keen to leverage my skills in a challenging environment.
